

## DICKSON Report Logger

The Dickson Report Logger is a simple to set up and easy to use temperature data logger. It requires no software and is great for transportation, packaging, and many other general applications.

# No Software!

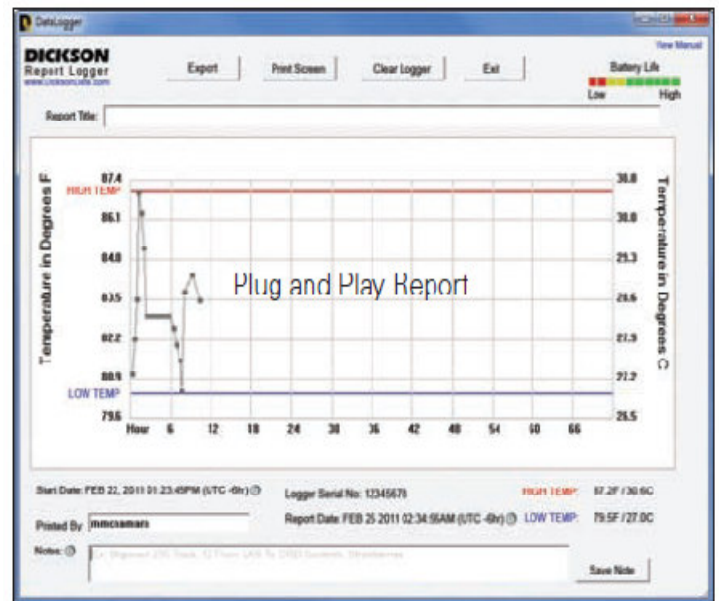

### Features

- Reusable
- Connects directly to your computer via USB
- No cables

MODEL NUMBER	LOGGING PERIOD	SAMPLE RATE	OPERATING TEMPERATURE RANGE
--------------	----------------	-------------	-----------------------------

RL101	1 Day	1 Minute	-40 to 176°F (-40 to 80°C)
RL103	3 Day	1 Minute	-40 to 176°F (-40 to 80°C)
RL107	7 Day	1 Minute	-40 to 176°F (-40 to 80°C)
RL110	10 Day	1 Minute	-20 to 176°F (-28 to 80°C)
RL120	20 Day	2 Minute	-20 to 176°F (-28 to 80°C)
RL140	40 Day	4 Minute	32 to 176°F (0 to 80°C)
RL175	75 Day	7 Minute	32 to 176°F (0 to 80°C)
RL190	90 Day	9 Minute	32 to 176°F (0 to 80°C)
